What?

"An effective marriage preparation program designed to provide you with the tools you need for a successful marriage relationship".

Engaged Encounter is a weekend experience during which each couple can concentrate exclusively on one another, free of the tensions, pressures and interruptions of the world.

Engaged Encounter is a quiet weekend specifically designed to give couples planning marriage an opportunity to dialogue about their prospective lives together - their strengths and weaknesses, their desires, their ambitions, their goals, their attitudes toward money, sex, children, family, and their role in the Church and society - in a face-to-face way.

Engaged Encounter fulfills the Bridgeport requirement for marriage preparation.
