#### Butler Deanery Religious Education Annual Tureen Dinner

All Catechists of the parish are invited.  
Thursday, September 1 – 6:00 PM  
St. Alphonsus Parish – St. Louis Church, West Sunbury  
St. John's catechists are to bring dessert.

**Educational and Spiritual Formation:** take a look at all that is being offered locally for you. Look over the Butler Deanery Certification and Enrichment Courses! Registrations are now being accepted for *The Letters of Saint Paul* to be held here at St. John, as well as other courses throughout our Deanery.

**Catechetical Sunday** celebrations in Catholic parishes will be held September 18, 2005, throughout the United States. We offer these responses to some common questions about Catechetical Sunday:

**Why do we have a special day set aside to commission catechists?** Catechesis is a distinct and special ministry in the Church. As the *Catechism of the Catholic Church* makes clear, "Catechesis is intimately bound up with the whole of the Church's life . . . her inner growth and correspondence with God's plan depend essentially on catechesis" (no. 7). This ministry of teaching in the name of the Church has a profound dignity, which is why catechists are formally commissioned by the Church. It is only fitting that we set aside a day to highlight this ministry and invite the entire church community to think about our responsibility to share our faith with others.

**Registrations forms for CCD** are in the Bell Tower. Please fill out completely, attach \$10 family donation as you are able, and return by mail or by way of the collection basket.

**Vocation Retreat:** for those thinking about life as a Priest, Brother or Sister will be held at St. Paul of the Cross Retreat Center, Sept. 24 & 25, 2005. Open to men and women 18 to 40 years of age. No Cost to participants on this retreat. 412.921.5800 for more information.

# Celebrate Family Day

## A Day to Eat Dinner with Your Children

Celebrated each year on the fourth Monday in September—the 26th in 2005—*Family Day* is a national effort to promote parental engagement as a simple, effective way to reduce youth substance abuse and raise healthier children.

According to Joseph A. Califano, Jr., CASA's chairman and CEO and the former U.S. Secretary of Health, Education and Welfare, "Parent Power is the most potent and underutilized tool in preventing children from using substances or engaging in risky behavior.
