Cash Raffle and Ice Cream Social

The Cash Raffle and Ice Cream Social will be here before we know it. Don't forget that if you sell all five of your tickets by October 16th, you will receive a sixth free! We have had winners on that free ticket in the past.

Remember all those co-workers from whom you have purchased candles, wrapping paper and cards? Maybe they would like to purchase or split a raffle ticket. Forms are available in the office to track split tickets. For only 5 or 10 dollars each, your friends have a chance to split \$10,000! We have only two fundraisers each year. Let's pull together and shoot for 100% participation for our kids.

Service Project

We are starting up our annual service project for our troops. If you know of any soldier currently stationed overseas, please contact Sandy Gibbons *as soon as possible*. Mrs. Gibbons can be reached at 893-6811 or sjrsoffice@comcast.net.

All Saints Day Event

Our All Saints Day Event will take place on Thursday, November 1, 2007. All Saints Day is a holy day of obligation and we hope many of you will be able to begin the day with us at All Saints Day Liturgy at 9:30 in St. Joseph's church. After mass, there will be a brief gathering in the auditorium to await the All Saints Day Parade.

Students in grades 1 through 3 should wear their gym uniforms to school so they may more easily change into costumes after mass. They will then parade for parents and the other students in the auditorium. Costumes should be based on Saints, Careers, or Storybook characters. Weapons and violent themes are not allowed. Masks and face paints should not be part of your child's school costume.

The All Saints Day Parade is a fun-filled event for all of us. We hope to see you there, and don't forget your camera!

Volunteers Wanted:

We are still looking for a volunteer able to train junior high students in an American Red Cross babysitting certification program.

Also, several children are eager to begin our Lego club. Unfortunately, we still do not have a club leader.

Please call Blaire McCarthy at 893-6811 if you can help with either of these programs.

Students who are interested in shadowing at any school are encouraged to call that school as soon as possible and arrange to shadow on November 13th, which is a teacher In-Service Day here at SJRCS. Below you will find information about open houses at individual schools.
