

We  
are  
collecting  
a MOUNTAIN  
of books! Gently  
used or new books  
that are appropriate  
for readers in grade  
Pre-K through grade 8  
are being collected now  
through Catholic Schools Week.

Primary grades, elementary grades,  
and the junior high will be competing  
to see who can get their mountain climber  
to the top of the mountain first. Look through  
your books and shop around to see which books you  
can donate to help make your MOUNTAIN climbers reach  
the highest peaks! The books will be donated to a local youth  
support organization right here in Phillipsburg! We are collecting  
these books in support of this local organization and as a part of our  
school wide service in celebration of Catholic Schools Week. Our faith-  
in-action is a testament to our Catholic identity and our commitment to support  
our community. May God bless you in the New Year!
