

Dear Families of Saints Philip and James School,

As part of the Saints Philip and James School family, you have shown your commitment to Catholic education. I would like to invite you to continue showing your dedication to Catholic education by having your family name on our "Growing Tree of Catholic Education."

Saints Philip and James School will prominently display a large donor tree in the main lobby of our school. This "Growing Tree of Catholic Education" is being displayed in loving memory of Brendan P. Opdycke.

Our "Growing Tree of Catholic Education" will be viewed by our students, faculty, school families, and visitors each day. Your name will be engraved on a leaf, foundation rock, or dove, which will be a lasting reminder that you have contributed to the education and enrichment of our most valuable resource... our children.

Through gifts raised from school families, alumni, friends, corporations, and the greater community, we will continue to improve and enhance our school and maintain the quality Catholic education that will benefit our students for many years to come.

Your tax deductible contribution illustrates your support and commitment to Catholic Education. Thank you for your ongoing support of Catholic education and to Saints Philip and James School.

Sincerely,

Donna Kucinski

**Please indicate which of the following levels of giving you would like to donate:**  
-Bronze leaf: \$150.00  
-Silver leaf: \$200.00  
-Gold leaf: \$300.00
