

ST. PAUL CATHEDRAL

Baptism Robe Ministry

Each baby baptized at St. Paul Cathedral receives a hand-made Baptism Robe during the baptismal ceremony. Anyone who has the ability to do simple sewing and embroidery stitches is welcome to participate in making these robes. Despite the fact that these are relatively easy to make, they are very much appreciated by the Families of the Child.

The symbolism is clear:

The **robe**, representing Purity, is **white**.

The **embroidery**, representing the Holy Spirit, is **red**.

The supplies are stored in the sacristy.

The finished garments are returned to the sacristy.
