

# **ST. PAUL CATHEDRAL LADIES OF CHARITY**

## **Literacy program**

Parishes can do the following to promote literacy.

1. Collect books for disadvantaged children.
2. Purchase children's books for the school library.
3. Have a used book sale with proceeds going to purchase new books for children.
4. Donate books to local food bank to be tucked into the food bags.
5. Volunteer to tutor at local schools.
6. Volunteer to read to children at local library.
7. Have a new book drive at Christmas.
8. Make a gift of new books to each child at baptism.
9. Volunteer to read to shut-ins or nursing home patients.

All of the above suggestions are "do-able". Some ideas are more involved than others. For additional information or help implementing LOC Literacy Program, please call the Diocesan Ladies of Charity Chairman Edna Ashton at 412-672-6514.
