PARISH PASTORAL COUNCIL

At the Parish pastoral Council, which unfortunately was very poorly attended, Peter Watson was confirmed to remain as the chairperson and Ronnie O'Grady accepted as the vice chair.

We are looking for a volunteer to act as secretary to the PPC.

This involves about 5 meetings a year; recording brief minutes of each meeting and sending them out by email to the members of the PPC.

Volunteers looking to serve the parish please talk to Fr. Mike.

We would remind all the parish groups that it was established that they have the responsibility of sending at least one representative to the PPC to be involved in the reflection and decisions regarding the parish.

JUBILEE YEAR OF MERCY

"OPEN YOUR HEART TO GOD'S MERCY"

BRAZIL COINS & CHILDREN'S CLOTHES ... PLEASE HELP!

If you wish to support please take/ask for a jar... When filled just leave it at the back of the church and it will be collected... **and pick up another jar!** How the money is spent depends very much on what Fr. Mike sees are the needs there. Brazil is in a very serious economic crisis. Our aim is to help continue the project with the nurses. (These projects get almost no outside help)

Compared with previous years very little is coming in - take a jar home or one for a friend or office... If there are no jars available use your own!!

CHILDREN'S CLOTHES: Twice a year (at end of July and November) there is an opportunity to send out second hand clothes for 2 to 11 year olds. The clothes sent out are normally handed on to the next generation and the next.

Clothes we are in need of, again very few coming in compared to other years. Looking for clothes for 2 to 11 year olds with emphasis on girls. We wrote to Asda & Tesco 6 weeks ago for end of season stock for kids but no reply. We are looking for clothes now.

PLEASE HELP IN ANY WAY YOU CAN - EVERY LITTLE HELPS!

Is it not here that there appears a radical limitation to economics? Economic activity is necessary and if it is at the service of people, it can be "a source of brotherhood and a sign of Providence." ... Yet it runs the risk of taking up too much strength and freedom. This is why the need is felt to pass from economics to politics.
