**LET'S RENEW OUR FAITH TOGETHER**

***A study of the Catechism with Deacon Bob***

Do you really know what the Catholic Church teaches? In the world today there are many false accusations, superstitions, and folklore about the Catholic Church. Is what you believe a dogma, doctrine, devotion, or a discipline of the Church? The goal of every Catholic should be a lifelong conversion to the Father's call to holiness and eternal life. At the heart of this conversion is the celebration of the Christian mysteries, especially the Eucharist and the life of prayer. We Catholics are called to witness Christ, the Church, and God's Kingdom of salvation, love, mercy, and peace in the world. To help you on your lifelong journey, we are preparing to teach the Catechism of the Catholic Church. No need to know or own the Catechism. The instruction will be relaxed and easy at whatever level we need it to be. We will meet weekly in St. Francis Hall, **Wednesday** evenings from **7—8:30 pm** starting **September 23** and ending at Advent. Please consider renewing your faith and don't forget to bring your questions.

**CITRUS SALE**

We are in need of a person or persons to coordinate the Youth Citrus Sale at St. Felix ✕ St. Francis. This is an excellent fundraiser for our Youth Account. Won't you consider volunteering for this short term ministry? Please call Sherry.

From now until Advent, we are invited to join others in a Diocesan-wide, community-read of the Acts of the Apostles. So, why don't you **GET INTO THE ACTS?**

**Read:** Acts 2: 1 - 13

**Reflect:** The coming of the Holy Spirit upon the apostles made it possible for them to go out and begin living their share in Jesus' mission, though some of the people who heard the apostles thought they were drunk. I, too, have been given the grace and gifts of the Spirit in my baptism and confirmation. I, too, am enabled to proclaim the Good News. Do I? When? How? What gets in my way? Is there someone in my life who needs to hear some Good News? Is there something I must proclaim? How am I received when I share Jesus' message? What does that mean for me as I continue on in my journey as a disciple?

**Act it Out!** *How do my reflections today inform how I will live out my discipleship in the world this week? Could I...*

- connect someone's struggles or concerns with the gift of peace from Jesus?
- spend extra time with a friend at school who feels alone or awkward?
- speak out when someone uses racist or hurtful language?
