However, it is your responsibility to find out what the Mass schedule is in the town or area to which you are going ahead of time. We always manage to find out when our recreational events start. We should also put the same effort into finding out when Mass begins. **1-410-676-6000** provides the USA Church Mass times & locations when you are on vacation.

CHOOSE LIFE On December 2, 2009, the Obama Administration approved the first use of human embryonic stem cells for experiments by federally funded researchers, using our tax dollars for an unethical destruction of human life at its early stage. Richard Doerflinger of the U.S. Conference of Catholic Bishops told the *New York Times*, (12/3/09) that, "the tragedy of this is multiplied by the fact that no one can think what the problem is that can only be solved by these cells, in light of the amazing progress that has been made with adult stem cell research."

WORD OF LIFE: When Jesus speaks about eternal life, he is referring to real and true life, a life worthy of being lived. He is not simply speaking about life after death. He is talking about authentic life, a life fully alive and thus not subject to death, yet one which can already, and indeed must, begin in this world... We have heard Jesus' answer: this is eternal life, that they may know you—God—and the one whom you have sent, Jesus Christ. Much to our surprise, we are told that life is knowledge. This means first of all that life is relationship. No one has life from himself and only for himself. We have it from others and in a relationship with others. If it is a relationship in truth and love, a giving and receiving, it gives fullness to life and makes it beautiful. *Pope Benedict XVI*
