Classes begin with Adoration in the Church at 9:10 followed by lessons in the basement and then Mass at 10:30am. All families and family members are encouraged to attend Mass after classes to continue our lifelong learning experience and to grow in our own relationships with God.

These are the second half dates for our School of Religion year. The dates that are highlighted are the Confirmation classes. These classes are taking place during our regular Catechism classes and are mandatory for the children and parent(s) to attend. Also attending Mass at this time is part of the class as there is a culminating/closing activity/prayers during Mass.
