Directions

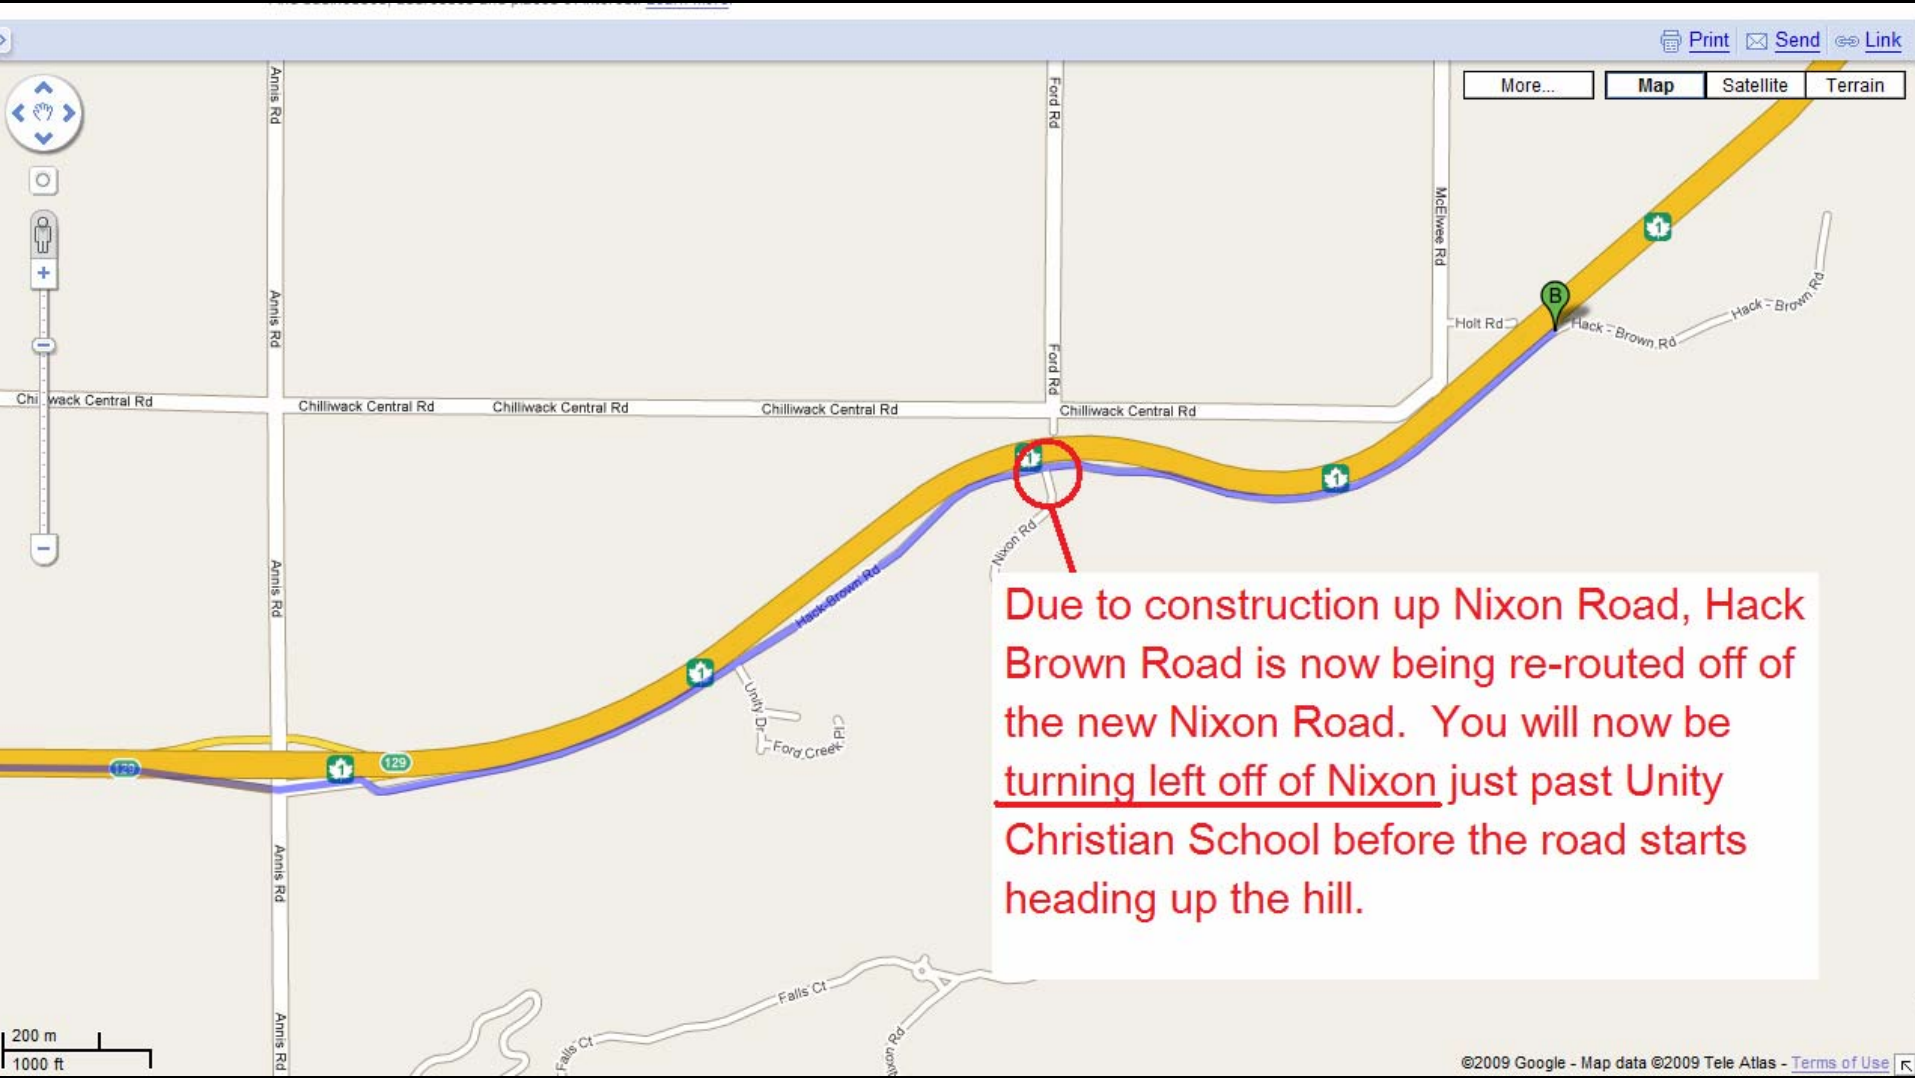

- Charis Camp is located about 10 km East of Chilliwack. Get on No.1 highway to the East. Take the Annis Rd Exit (# 129). Cross over Annis Rd. as though you are going back on the freeway. On the down ramp, turn right onto Hack Brown Rd. Follow it for about 2 km and you will see the new Nixon Road on your left. Turn left on to Nixon Road and Charis Camp is about 1 km. You will find the parking lot by the second entrance and there will be signs to direct you to the GYM.

Exit 129

Due to construction up Nixon Road, Hack Brown Road is now being re-routed off of the new Nixon Road. You will now be turning left off of Nixon just past Unity Christian School before the road starts heading up the hill.
