Top Ten Reasons Men Put Off Doctor Visits from the American Heart Assoc:

- "I don't have a doctor."
- "I don't have insurance."
- "There's probably nothing wrong."
- "I don't have time."
- "I don't want to spend the money."
- "Doctors don't DO anything."
- "I don't want to hear what I might be told."
- "I've got probe-a-phobia."
- "I'd rather tough it out."

Do any of these sound familiar? *When it comes down to it, there are no good reasons not to see the doctor, only excuses.* Don't wait. Schedule your annual physical today.

HTOTW: The # 1 threat to men's health is heart disease. One in 2 men is diagnosed with cancer in his lifetime. Thirteen million American men have diabetes. Depression is the #7 cause of death in U.S. men. Don't be one of these statistics. Begin to become healthier today.

All four Homilies on Pope's supposed dialogue with the person of same-sex attraction are available on the parish website. The best of the four is the 10:30 homily but listen to the 30 second addendum too. These homilies covers the Catholic Church's teaching from the Catechism of the Catholic Church.

Author, Phil Lawler is coming for the Feast Day of Sts. Peter & Paul, June 29th!!! Phil Lawler is the author of the recent book, *"Lost Shepherd,"* the former editor of the magazine *Catholic World Report*, and is currently the web editor of Catholicculture.org. He is mostly, a concerned Bostonian Catholic Layman who is puzzled by recent papal teachings and other ecclesial (Church) happenings. Everyone is invited to hear Mr. Lawler on Friday, June 29th, at St. Mary's in Westville, IL. We will begin with a Holy Hour from 6 to 7, followed by light refreshments, talk, and time for questions and answers and book signing. The event is free, just bring your questions and prayers for the Church, the Pope, and for our Bishops.
